The policy for the Redwood Camp Meeting is to welcome a limited number of ministry organizations to be represented on our campground and permit them to have display booth space (10'X10') at a location assigned to them. The following conditions will apply:

1. Booths for personal business and profit will not be allowed.
2. Booth must be made attractive and have general appeal to our people.
3. The ministry requesting the booth must be in harmony with our Adventist beliefs and mission and have the approval of the church, conference, and union in their headquarters area.
4. There will be no booths in front of or around the ABC building, and no sales will be permitted that are in direct conflict with the ABC.
5. Northern California Conference will provide a Pop-up tent, a table and a chair.
6. Due to increased operational expenses for the camp, there is a fee for booth spaces: \$100 for the entire 10 days, or \$150, if electricity is supplied. The fee will be prorated for those not staying for the full encampment. A check for the fee should accompany this application.

Purpose of display booth \_\_\_\_\_
